

VETERAN'S MEMORIAL OF GARLAND COUNTY

Hot Springs, Arkansas

The Garland County Memorial and Military Park is a tribute to all veterans who served in the United States of America's military at any time and/or their families.

Dedicated in 2009, this memorial originated as the "dream" of Morris Cash who spent over 20 years in planning and raising awareness of the need for a memorial of this kind in Garland County. Working with countless other locals and veterans, Morris was instrumental in not only securing the property for the memorial with the City of Hot Springs, but he was also involved in the fund-raising efforts required to make this memorial a reality. His tireless efforts and his devotion to the service men and women of our area, will not go without merit. Morris Cash is the reason we have this beautiful memorial to honor those who served our great country and the families that supported them.

The memorial features the names of service men and women, family members and organizations on bricks/pavers that cover the main floor of the memorial.

There are five pillars in the center of the memorial that represent the five branches of the military. These pillars have the names of service men and women who received the highest honors that are bestowed by the military.

In 2015, the Fallen Hero Memorial Statue in the likeness of Navy Seal Adam Brown, was dedicated. This bronze statue represents all the men and women who gave the ultimate sacrifice to protect our country.

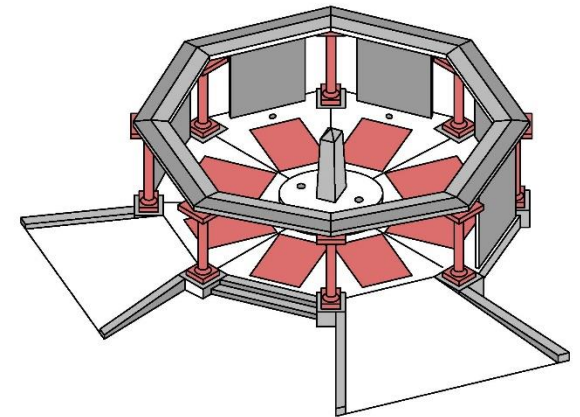

Through the years, the committee has added benches that represent each branch of the service, a full-scale military tank, a Purple Heart monument, and a beautiful black monument to honor all POW-MIA. We have also added larger pavers that may be purchased for family names, or a business or group that supports veterans and their families.

Please see the reverse side for ordering brick and granite pavers. Each year a committee member reads the names of the new bricks/pavers during the event which is closest to the placing of that brick or paver. You do not have to be a veteran to purchase a brick/paver for The Garland County Veteran's Memorial. Businesses are also welcomed to show their support with the purchase of a brick/paver along with graduation classes, families and/or organizations.
